

Vet Tech Schooling

On behalf of the Institute of Technical Arts team, we welcome you to our campus. At ITA, we strive to prepare our students for careers in animal nursing and animal grooming. You will learn through industry-current, high-quality dog grooming courses and veterinary nurse training that are structured to meet the needs of today's highly competitive veterinary technician jobs, veterinary assistant jobs and dog grooming jobs. Become a dog groomer, veterinary assistant, or earn an AS in our vet tech programs. By furthering your education at ITA, through our animal courses, you are in the process of changing your life. Excellent training can be your key to success at our AVMA accredited vet tech institute, dog grooming school, or in our vet assistant programs. Acquire up-to-date career skills and hands-on experience through animal care courses with today's technology that you will need to succeed in your fascinating new career working with animals. Learn how to become a vet tech, how to become a vet assistant or learn how to groom a dog. Know how the job is done today and how it will be done tomorrow. ITA's team of professionals looks forward to providing you assistance while grooming dogs or learning to be a vet nurse that will help you achieve your goals.

Institute of Technical Arts

The Institute of Technical Arts is an independent, private postsecondary school specializing in applied animal education and training at the diploma and associate of science degree levels that has been in business since 1988. ITA offers vet tech programs, vet assist programs and dog grooming programs. These programs help promote academic excellence by encouraging students' success and changing their lives on their way to become a Vet Assistant, Vet Tech, or Pet Groomer. Employers from all over the country seek our exceptionally qualified, well-trained graduates of our highly recognized programs.

ITA's professional team is available to you from the first time you inquire about our school until long after your graduation. Our team encourages you every step of the way to help make your dreams come true. Life on your campus can be an exciting and rewarding experience.

ITA offers high quality, diverse programs in animal education. The curriculum includes short-term vet assist programs and dog grooming programs. The school also offers an associate degree in the veterinary technology. ITA strives for excellence and promotes students' success. We have been a leader in the animal care industry for over 27 years by attracting top students from all over the world who possess a passion for animals and their health.

The administration at ITA is committed to you and your pursuit of knowledge, skills, and quality animal education. Our team of administrators offers leadership that, in turn helps to deliver an outstanding experience in animal education to you. ITA's administrative staff takes pride in providing you with personalized quality education in your vet tech programs, vet assist programs or dog grooming programs. Our administrative team helps prepare you for graduation and gainful employment to become a Vet Assistant, Vet Tech or Pet Groomer. ITA administrators present guidance to faculty and staff, while being available to you in order to help you achieve your highest potential. If you are seeking a degree in Veterinary Technology, or would like to become a Vet Assistant or Pet Groomer, our administrative support team is dedicated to helping you find your strengths and abilities on your road to success.

ITA strives to employ a faculty of the highest caliber to bring professionalism to the classrooms. Our faculty provides animal education and training that focuses on knowledge and skills required to succeed for you to reach your highest potential. Our faculty members are passionate in teaching and are dedicated to your achievement, giving you individual guidance to reach your goals. ITA faculty members have appropriate academic credentials and a substantial amount of experience in the animal care industry. Many of our faculty members hold state and national certifications in their fields of study.

Institute of Technical Arts Standards of Excellence

The Institute of Technical Arts has been committed to providing excellence to its students and the community since 1988. ITA is dedicated to teaching you the skills you need to be successful in your new professions through veterinary tech courses, vet assistant course and pet groomer courses to earn a pet grooming diploma, vet assistant diploma, or vet tech degree.
